June Council Meeting

Policies

Council reviewed its Credit Card Policy and adopted a new policy called "Risk Management". Only minor changes were proposed for the Credit Card policy and the Risk Management policy is a requirement that all local governments must have.

Differential Rates.

Differential rates were adopted by Council and a submission has been forwarded to the Department of Local Government for their approval.

Differential rates proposed for 23/24 have the same increase as other rates so there are no unforeseen issues that could be raised.

Delegation Review.

Once in each year Council is required to review its delegations that allow the Chief Executive Officer to make decision and carry on the business of Local Government without referral to Council. Delegations approved remain unchanged from last year.

Queens Jubilee Tree Planting

This project was finally completed in May with about 125 trees planted around the bypass. The trees are all looking nice and healthy apart from the cold snap we experienced over the last little bit which caused a little concern, and not just to the trees.

Bin Stickers

The Visitors Centre Staff recently spoke to me about bin stickers and the availability of these through Keep Australia Beautiful.

One idea was to have our tourist landmarks placed on bins around town. Depending on cost we would like several different stickers made.

If anyone would like to submit a drawing that would be suitable as a bin sticker (240 Litre wheelie Bins) please do so.

Keep Australia Beautiful.

There has been some interest expressed about entering Sandstone into the Keep Australia Beautiful Tidy Towns Competition.

If you would like to participate as a committee member, please let me know.

CHARLIE BROWN

Chief Executive Officer

Compliments

Throughout the month, we received a lot of positive feedback on the Post Office Café and also on how beautiful and tidy the Shire of Sandstone looks.

Thank you for the kind words and a big thank you to the Shire Staff for keeping our Shire a tidy and welcoming place to visit.

Missing Cat - RETURNED

We would like to thank everyone for their advice and effort to try and find this beautiful boy.

He arrived back home on Sunday morning, very skinny but happy to be home.

After a really good feed and lots of drinking, he slept most of the day, recovering from his great adventures.

Cisco

We would like to share some pictures of another beautiful boy. Most would know Cisco who resided at the Caravan Park. You probably gave him a bit of a pat, a chat and some food.

Don't worry if you haven't seen him at the Caravan Park of late because he has found a new home. From the pictures below, he looks like a happy chap, looking really flash after a wash and a trim, wearing his brand new sweater.

The Bulga Downs Slot Car Rallies

Article by Lana Lefroy, details from John Lukis and Jean Murray.

In 1965 friends came to visit Jean and Frank Murray and John Lukis at Bulga Downs Station. Rita Castledine had been to St Marys with Jean and her husband Rob was a builder. (Rob went on to build the new homestead at Cashmere Downs in 1966). They hatched a plan to build their own slot car shed. Rob drafted up the measurements for the shed and they designed their own track.

Frank and John built the 9 x 3.6m shed and cemented the floor. They then built the 186 foot (56.7m) track by gluing 2 sheets of Masonite together and using a router to put in the slot and narrow drop downs on either side for the braiding. This was secured in place with a blowtorch soldering iron. The track included two chicanes (narrow sections where cars couldn't pass each other), a full circle where cars passed out of sight, and an S bend. The track ranged from 5cm to 2.1m high with sloping cants. The four lanes were coloured red, black, yellow and blue and had matching throttle hand pieces and chairs. They had to start the Lister engine for the power.

Jean wrote away to the oil companies and they acquired silk Castrol banners, posters, flags and metal signs to decorate the shed.

The Scalextric cars (bought in Perth) were either Open Wheelers or Custom Built with the scale of 1:24. They bought separate motors (33 000 rpm) and tyres (ranging from standard 5mm to big fat 10mm) and played around "hotting them up". With big tyres you had to be careful passing cars in the close lanes as you would be knocked off! The sedans were OK to bump with, as their tyres were covered.

Amongst their cars, John had his Ford LTD Yank Tank and a Lotus, Frank a Mustang and a Thunderbird and Jean a pink convertible with a fox tail on the aerial, and fur seat covers. They were about \$12 each.

It was the nickel boom and "the mineral boys" often played with the family. Friends like Lefroy's on their way home to Cashmere Downs from Sandstone, always called in and often played too.

In 1966 they held their first fundraiser rally, raising money for Kalgoorlie School of the Air P&C. No mean feat with 32 volt power and kerosene fridges. About 70 people would come from the surrounding district and Kalgoorlie for these exciting events.

Frank's team was the Red and Whites including Rita Castledine, Joy Lefroy, and Tom Senior (Lake Mason Stn).

John's team were the Black and Whites, including Jean Murray, Rob Castledine, Phillip Lefroy and Sally Senior (Lake Mason Stn).

Jean made arm bands and caps for the racers, in red and white and black and white.

They tried to mix up the more experienced players and had officials spaced around the track to catch wayward cars and replace them. The pits were also kept very busy doing repairs from crashes (many cars were prepared earlier). They also had spare handpieces which could burn out from players going flat out, to being pulled out of the wall in the excitement!

There was often mayhem with players yelling that their car wasn't going anywhere, when it was actually someone else's car they were looking at, their car having crashed further up the track.

Going around the full circle was fraught with danger when they lost sight of the car and others were going around there too, hoping they would come out in the lead, or come out at all!

There were people racing in Kalgoorlie but no-one had a track like the one at Bulga. Frank and John's track was the second longest in Australia at the time and their record was only 14 seconds to complete the circuit.

There is a trophy from one of the Slot Car Rallies in the Sandstone Museum.

Sally and Anna Senior, governess, Frank and Susan Murray, Phillip Lefroy, John Lukis, Jean Murray, Joy and Pippa Lefroy, mineral boy standing.

Special Days in July

So what are the special days in July?

Well, they are:

July 11th : International Town Criers Day

If you heard “Hear ye, hear ye, hear ye” and a large hand bell in medieval England, you better pay attention to the Town Crier as he is about to announce the latest news, proclamations, bylaws and any other important information, ending with ‘God save the King’ or ‘God save the Queen’ because most people in medieval England were illiterate.

After reading the message, the Town Crier would attach it to the door post of the local inn “posting a notice”, hence the reason why newspapers are often called ‘The Post’.

How to celebrate this day: Some suggest to dress up as a Town Crier, wearing a red coat, white breeches, a tricorne hat, and black boots, and make announcements on the streets in a firm and loud voice! Might not be a good idea this day and age though...

July 17th : World Emoji Day

What is an emoji? An emoji is a pictogram that is inserted in e.g. text messages to fill in emotional cues otherwise missing from a typed conversation

Who created Emoji Day? That would be Jeremy Burge, the founder of Emojipedia. Emojipedia is a reference website that has the meaning and common usage of emoji characters in the Unicode Standard.

World Emoji Day is celebrated on the 17th of July because of the way the calendar emoji is shown on the iPhones.

How to celebrate this day: Suggestions were made to dress up like an emoji or bake emoji themed biscuits and so on.

July 22nd : Spooner's day

Spoonerism is a speech error where the initial consonants of two consecutive words are switched. My favourite is 'No wucking forries'

The name spooner came from professor Spooner, born July 22, 1844, who became famous for his tendency of mixing sounds.

One of the most famous spoonerism, because it is both plausible and hilarious, was the toast to Queen Victoria where Spooner raised his glass and instead of saying 'Three cheers for our dear old Queen' said 'Three cheers for our queer old dean!'

How to celebrate this day: Might I suggest to let your imagination run wild on this one!

July 27th: Take your Houseplant for a Walk Day

This holiday was created by Thomas and Ruth Roy. If you are planning to raise money on this day, better inform the creators and come to an agreement because this is a copyrighted holiday!

The aim of the holiday was to help people provide a healthy environment for their houseplants. The actual act of walking would make the plant more robust as they sense the change in their situation. Changing their environment once and a while is healthy for them as it is believed that they have a sense of knowing their environment. It is believed that it will increase their sense of understanding and wellness.

How to celebrate this holiday? You guessed it... Take you houseplant for a walk.

Happy Holidays Everyone!

RECIPE

Stuffed Sweet potatoes with chipotle and lime yoghurt

Ingredients:

- 4 small to medium sweet potatoes
- 2 tbsp olive oil
- Freshly ground black pepper
- 1 cup plain Greek yogurt
- Half a teaspoon dried chipotle chili powder
- 1 tbsp fresh lime juice
- 1 cup cooked black beans (Drained and rinsed, if canned)
- 1 avocado, cubed
- 1 tbsp chopped coriander
- 2 tsp chopped fresh chives

Method:

- Preheat the oven to 200C and line a baking tray with a sheet of aluminum foil.
- Place the sweet potatoes on the tray and bake until fork-tender (40 to 45min).
- Remove from the oven. Slice the potatoes lengthwise into two halves. Fluff the flesh with a fork when still hot.
- Drizzle a tbsp of olive oil and a pinch of salt and pepper into each potato and mix well.
- For your yogurt dressing, add chili powder and lime juice to your yogurt and stir.
- To serve, add 2-3 tablespoons of black beans, one tablespoon of the cubed avocado, fresh coriander and chives on top of each sweet potato.
- Drizzle some chipotle-lime yogurt and freshly ground black pepper to enjoy.

Even your NBN UPS back up batteries.

We carry a full range of CTEK chargers, Lithium jump starter packs and portable alternatives to dual battery set-ups.

Need new battery leads? We can custom build to a high quality to your specifications.

We are always happy to help.
